Dedication

The Main Building

1917-1977

The main building was erected sixty years ago as Bartlett High School's original structure. It has long been a landmark of the community and has become a tradition. When the building is torn down in the summer of 1977, a new, more modern structure will take its place, but nothing can replace the cherished memory of passing through its wide spacious halls over floors where countless other students have trod.

The main building, with its creaky stairs, majestic front steps, and old fashioned architecture will truly be missed by all at Bartlett. The PANTHER PARADE is not only proud, but honored, to dedicate the 1977 Volume to a faithful friend, the main building.

Even though Bartlett did not have a very good season as far as wins are concerned, we should be appreciative of our hard-working football team. Under the guidance of Coaches Kuntzman, Lay, and McGhee, our team produced victories against three of our greatest rivals, Craigmont, Germantown, and Raleigh-Egypt. With many players returning next near, the team should bring even more acclaim to Bartlett.

The football fortunes at Bartlett High School shine brightly with a freshman football team that amassed a string of five exciting victories against only two losses for the season. Such victories were achieved with whole-hearted, dedicated support of their cheerleaders, but a lackluster support of the entire student body on some occasions. With these young men advancing to the ranks of varsity squad members next year, indeed the football program looks upward and onward.

"Where's our goal?"

"Watch this shot!"

The girls are getting impatient.

The efforts of the girls' basketball team resulted in a very enjoyable season for everyone. Coach Farley spent many hours preparing the spirited girls for their games, in which they always showed determination and good sportsmanship. The improved team should have an even more interesting season next year.

Bartlett's 1976 Homecoming

Bartlett's Homecoming proved to be one of the highlights of the 1976-1977 school year. The entire week was filled with the enthusiasm and excitement of the entire student body. The students started the week with jersey day, followed by red and blue day. They ended the week with painters' pants day. There were the traditional bonfire and parade, numerous skits, a pep rally, and spirit links. The events ended with the Homecoming football game, the naming of the queens and court, and the dance. This year's Homecoming will surely leave a sparkling memory in all our minds.

Varsity Cheerleaders

The Bartlett cheerleaders began their many activities long before the school year began. During the summer months they practiced three hours each day, Monday through Friday. Several times to break the monotony of practice, they brought cold drinks and snacks to the football team, who were also practicing. They attended summer camp, sponsored by Universal Cheerleaders Association at the University of Arkansas, Fayetteville, Arkansas, where they won the spirit stick four times during the week, won first place in the pom pom routine competition, and won the overall competition at camp.

In the fall besides cheering at pep rallies and having numerous fund-raising activities, such as car washes and dances to finance their activities and to buy uniforms, the girls entered the Mid-South Fair Cheerleading Contest. There they tied with Jonesboro, Arkansas for first place.

In the spring as a community service, they conduct a clinic for students interested in learning more about cheerleading. They assist elementary and junior high girls prepare for cheerleader tryouts and they serve as judges in various tryouts.

Named one of four National Championship squads for 1976-1977 by Universal Cheerleaders Association.

First place in Mid-South — Co-winner at Mid-South Fair.

District Champions — Best over-all squad at summer camp at University of Arkansas.

This year the 1976-1977 Student Council tried to involve more students by increasing the number of members at large. The council was again sponsored by Mr. Deanes and Mr. Bellamy and it consisted of club presidents, publications' editors, and other students.

The Student Council participated in such projects as the student handbook, PANTHER'S CALLING, Student-Faculty game, and selling valentines. For the most part, the Student Council organized club activities, but they tried a few new ideas of their own, such as selling Santa Claus pictures along with the help of the Photography Club. Once again the Student Council worked this year to involve and inform the student body.

This year the chorus presented a Christmas program and a spring concert. Some members participated in the West Tennessee Festival in March and in the Quad-State Festival at Murray, Kentucky.

Annual

The 1976-77 annual staff once again made its deadline under the direct supervision of our dedicated sponsor, Mrs. Gaines. The editor who made PANTHER PARADE possible for one more year was Mary Forrester. She led the staff with her examples of diligence and loyalty. The staff got off to a slow start, complicated by the many days of snow. As the deadline neared, the action picked up, and soon the staff was once again working to compose an annual which would somehow reflect the events and memories of the school year. We the annual staff would like to thank the student body, faculty, and community, for without you the PANTHER PARADE would be nothing more than a dream.

The annual staff this year was composed of Mary Forrester, Editor; Cindy Dye, Business Manager; Dianne Edge, Advertisement Editor; Bridgett Treadway, Jerry Marcum, Melanie Moore, Cyndie Stevenson, and Lisa New, Senior section; Lynn Metts, Martha Mills, Sports section; Larry Carimi, Sophomore section; De De Bellamy, Lisa Reid, Freshman section; Pam Mannarelli, Christine Harrison, Student Life; Stephaine Taylor, Faculty; Bill Adelman, Photographer.

FACULTY

"Try to remember that you're not the only person around. The things that you do affect the people around you." — Miss Lynn Aitchison

"You get out of anything EXACTLY what you put into it." — Mr. D. Bellamy

"Never underestimate the importance of a high school education." — Mr. W. S. Burton

"Always strive for the impossible goal. You may reach it." — Mr. J. I. Cullum

"The backbone of your life will be the education you receive. Get as much as you can and retain as much as you can. The more you have, the better life you'll have and everyone wants the good life." — Mr. T. Farley

"To labor with one's hands as well as their mind is honorable. Begin learning now to get along with people before you get out of school . . . then when you are out in the real world you will learn that getting along with people is a real asset if you expect to make it in today's business world!" — Ms. Laverne Kennedy

"Get all the education you can. You may lose all material possessions, but no one can take your education away from you." — Mrs. Maruta Krastins

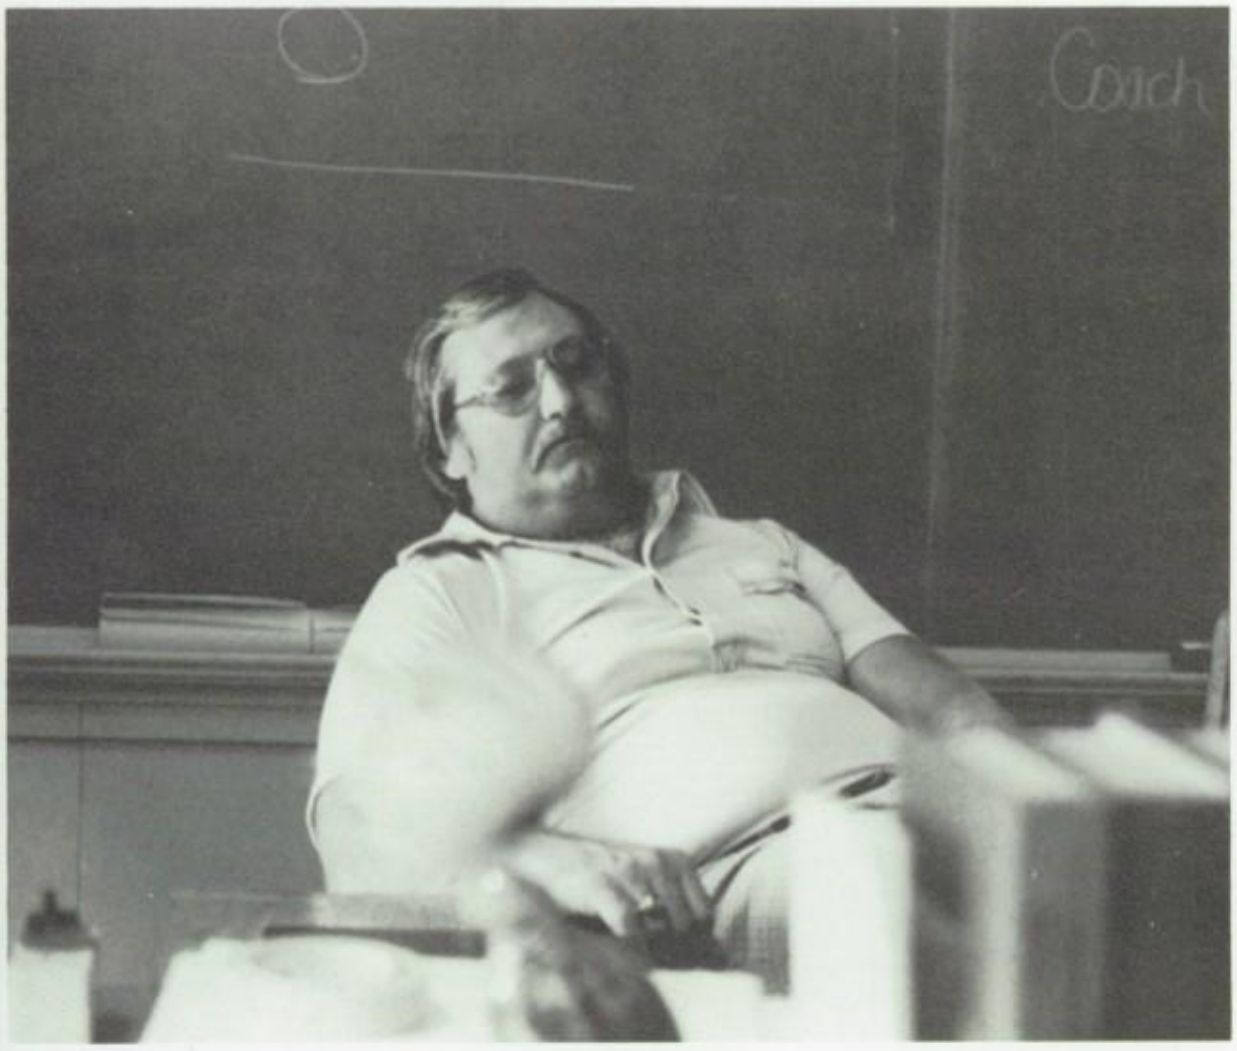
"Bartlett has the best students anywhere and I hope you continue to be. But, it takes hard work and a lot of self-discipline to continue this. Keep up the good work." — Coach A. L. Kuntzman

"To be successful, a person must train himself so that he knows how to do something well and then be willing to do it." — Mr. David E. McPherson

"Failing is funny to ninth graders until the next year comes around and all of your friends are upper classmen and you're still a dumb freshman." — Mrs. Patsy Oliver

"I'm supposed to provide a message. I would rather not. I would rather say nothing, leave nothing. But then, you'd only have my picture in an annual. That's all you'd remember. You wouldn't remember me, the person, the way I laughed, or the way I frowned. The way I could speak softly, the way I could scream. And you

A Message to the Students



wouldn't know why I screamed, why I frowned. You wouldn't know how I've wondered about you — why you scream, why you rage, why you laugh. None of us has known the other. That's it. We haven't taken the time or we haven't cared. And we've just kept on. So all we have now are pictures in an annual. And messages? They took too much time. Too much effort." — Miss A. Olswanger

"Be yourself. Don't put on false airs. Treat others as you would like to be treated. Remember that no matter what your career might be, put your best efforts into it and you'll get the best out of it." — Ms. Robbie N. Pulliam

" 'And gladly would he learn and gladly teach.' May these words follow you throughout life." — Mrs. Imogene P. Reid

"Whatever confronts you, there is no need to be dismayed, if you have Christ in your life." — Mrs. Gertrude J. Settles

"Are you thinking of a vocation? If so, come out from behind that mask of HIDE and SEEK. This mask is important. It is used by people to conceal their real thoughts and feelings, not from other people, but from themselves. You should work harder at being what you should be than hiding what you are. Whatever you do, take Jesus as a member of your team and pull off that mask. You will find that knowing yourself as you are, rather than disguising and hiding your real feelings, will make you happier. Good luck and happy sailing." — Mrs. Teretha Smith

"Keep your black pens handy, your note cards ready, your brains in gear, and your mouths shut." — Mrs. Linda G. Thompson

"May your dreams always exceed your grasps." — Ms. Judy Ann Thorne

"A friendly smile goes a long way." — Mrs. Bonita C. Dunavant

"Ask yourself these questions. Who am I? Why am I here? Where am I going? It is impossible to enjoy others and establish a good relationship with people until you have some understanding of self." — Mrs. Marianne Kinsey

Principal

"My personal advice to each student is:

Cultivate loyalty to your country, your family, and your religion.
Protect your body and your mind from harmful drugs and degrading habits.
Develop habits of punctuality, honesty, and service to all mankind.
Look for good wherever and whenever evil seems to prevail.
Develop yourself to the extent that you can calmly adjust to any situation which may arise."

Bartlett Alma Mater

From these halls we leave in anguish,
All of us to go our way,
With kind words and memories relish,
We in turn will often say,

CHORUS

Bartlett High our alma mater,
live within our hearts,
Fill our hearts with loyalty,
till with life we part.

As thru life we all will wander
With our burdens true,
With life, love, and fond remembrance
We will all remember you.

Dear Bartlett High,

Working on the 1977 PANTHER PARADE confirmed the belief held by many that I am a true "scatter-brain." I must admit that when deadlines neared, and the pressure grew, my mind did not function normally, but with long hours and the help of loyal staff members, the yearbook was pulled together.

Many new and different ideas have been included in this book. It is my sincere hope that you get as much pleasure out of it as I have by working on it. It certainly would have been no pleasure to work on without the patient help of our advisor, Mrs. Gaines. It goes without saying that her patience and understanding make the PANTHER PARADE possible.
